

# Harlequin Storage Carts

Harlequin Storage Carts are ideal for transporting and storing Harlequin roll-out vinyl flooring or Harlequin Liberty™ and Harlequin Liberty LatchLoc™ sprung floor panels.

## HARLEQUIN ROLL STORAGE CARTS

Harlequin Roll Storage Carts are recommended for storing or transporting larger, heavier rolls of flooring. Available in two models: a 6 roll cart and a 4 roll cart. Each model is available in 59" (1.5m) or 78 ½" (2m) length to accommodate any Harlequin vinyl roll-out floors.

Constructed from black, scratch-resistant, powder coated steel, the carts are fitted with four heavy-duty, braked swivel casters and non-marking polyamide wheels. The heavy gauge steel poles which support the rolls of flooring have special end fittings to locate them securely on the cart and a center support to prevent bowing of the rolls. Additionally, two handles are supplied with each cart to assist with loading and unloading and, when not in use, these help maneuver the cart itself.
