"Founded in 1990, Kaatsbaan Cultural Park has been an incubator for creativity and presenter of world-class dance for three decades. For the past five years, Kaatsbaan has proudly presented classes, performances, and filmings in our state-of-the-art dance studios, outdoor stage and black box theater — all of which are beautifully equipped with **Harlequin Activity**<sup>®</sup> and **Harlequin Cascade**<sup>™</sup> flooring.

As a new generation of Kaatsbaan leaders step up to continue the past 30 years of work, we are happy to provide visiting artists of all disciplines the highest quality **Harlequin Floors** in our workspaces, creating an extraordinary environment for them to focus solely on their creative processes."
